

MRS JUDSON'S COMPUTER TECHNOLOGY

Disclosure Document

WELCOME!

Welcome to Computer Technology at Lehi High School! My name is Mrs. Judson and I am ecstatic about the year ahead of us. Technology is so fun, exciting, and ever evolving! It is something I am very passionate about and thrilled to be here to facilitate your learning in.

COURSE DESCRIPTION

Computer literacy is a foundational element of success in today's technology-driven world. This course is intended for students to learn concepts associated with key application software, basic computing fundamentals, and ethics and appropriate behavior while using technology as a tool in the classroom and in life. Students have the opportunity to test out of this course by successfully passing Certiport's IC3 GS4 certifications.

COMMUNICATION

Communication - the human connection - is the key to personal and career success.
Paul J. Meyer

I full believe we are all "Learners" in this together! As such I also believe, as stated above, that communication is KEY! To ensure the largest outcome of success possible I have come up with these different forms of communication.

Office

As a part time teacher I am in the school from the hours of 7:00 am until 11:00 am. When communicated to me I can set up times to be in my room to assist or discuss concerns, including outside of the hours mentioned above. PLEASE do not hesitate to contact me to schedule a time we can make a meeting possible if you are in need. If you don't ask, I will not know and cannot help!

Email

This is the absolute BEST form of communication for me as I will always try to respond within 24 hours, if not sooner. The email I can be reached at is ajudson@alpinedistrict.org

Website

I have created a classroom website that will have each days class update and resources posted. There is also a contact me page that gets you to my email if you forget my email. You can find my website through the school website under CTE section OR the site address which is www.ajudson.weebly.com

Education is the
kindling of a
Fire
Not the filling of
Vessel

Our class will be held in the computer lab room # _____

FAILURE CLAUSE

"Failure is simply the opportunity to begin again, this time more intelligently."
Henry Ford

In the words of Michael Jordan, "I can accept failure, everyone fails at something. But I can't accept not trying." Learning is about progressing, so failures are looked upon as opportunities to improve and learn. With very few exceptions, all major assignments will be available for re-dos upon request and approval. As lines of communication stay open the student and I will work on a plan in redoing the requested assignment.

MEDIA

I will occasionally show movie clips, play songs, or use other media to enhance what we're learning and discussing in class. I like to use a variety of teaching methods, including some clips from G and PG rated movies that may assist emphasizing a specific topic. All media I use has been edited for content, but if you have a concern about any media use, please contact me as soon as possible.

SUPPLIES

- Pencil or Pen
- Paper

COMMUNICATION (CONT.)

Remind101

Remind101 is an incredible new service that provides a safe way for me to text message, or email, you with reminders. Using Remind101, I can engage my students and parents more effectively without needing to know your phone number and without you having to give your phone number out. This is completely optional and 100% up to you in participating or not. I will send out reminders through Remind101 about upcoming assignments, tests, and other useful information. Attached you will find steps to subscribing to this service. I have also shown your students in class how to do this once given your permission.

ABSENCES & TARDIES

The schools tardy and attendance policies will be enforced in my classroom. Lehi High School accepts a joint responsibility with parents to give special emphasis to habits and qualities of character which promote an upright and desirable citizenry. Students may occasionally need to be absent for illness, emergencies, etc. I hold students to the standards of having the responsibility and accountability to arrange make-up work with me.

GRADING

Below you will find my grading scale. Assignments in my class typically fall under 3 categories: Participation-like assignments, which are mostly “you did it”, or “you didn’t do it”; Learning assignments, which are the bulk of work done in my class. These assignments assist you in learning the concepts we have learned through participation assignments; and Test-like assessments. These assignments allow me to gauge your understanding of the concept learned. Participation assignments are almost always done in class and need to be made up in the case of an EXCUSED absence. UNEXCUSED absences you will need to communicate with me further.

A	93% - 100%	C	73% - 76%
A-	90% - 92%	C-	70% - 72%
B+	87% - 89%	D+	67% - 69%
B	83% - 86%	D	63% - 66%
B-	80% - 82%	D-	60% - 62%
C+	77% - 79%	F	0% - 59%

Tell me and

I forget.

Teach me and ...

I remember.

Involve me and ...

I learn.”

Mrs. Alexandra Judson
Business/Marketing Teacher –
Lehi High School

Attached with this document are the steps to setting up Remind101. It will take you a matter of seconds! All you need is your phone. Please indicate at the bottom whether you will be subscribing to this service and that you are aware of my policies indicated in this form.

Sign up for important updates from Mrs. Judson.

Get information for **Lehi High School** right on your phone—not on handouts.

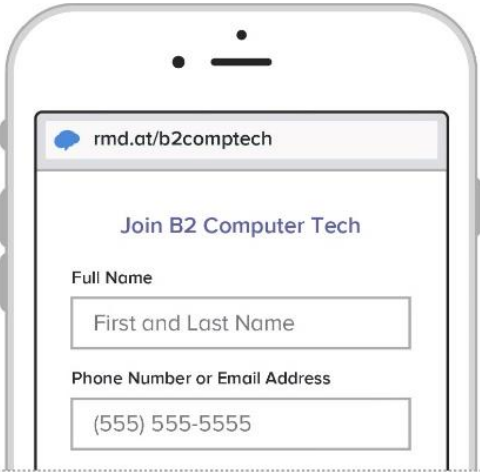

Pick a way to receive messages for **B2 Computer Tech**:

A If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

rmd.at/b2comptech

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

B If you don't have a smartphone, get text notifications.

Text the message **@b2comptech** to the number **81010**.

If you're having trouble with **81010**, try texting **@b2comptech** to **(801) 528-9939**.

* Standard text message rates apply.

Don't have a mobile phone? Go to rmd.at/b2comptech on a desktop computer to sign up for email notifications.

Please print and sign your name and parents name below indicating you have read and understand my policies AND when you have signed up for Remind101.

Student's Name (PLEASE PRINT): _____

Parent's Signature: _____
